

INTERVIEWS OFFICER

In2MedSchool

In2MedSchool is a widening participation initiative that consists of a group of medical students and junior doctors helping underprivileged school children apply to study Medicine and related subjects at University.

Academia Team

This team is responsible for designing and publishing resources that will be used by our mentors to ensure that they have all the up-to-date information needed to guide their mentees. They also assist with the running of events and producing resources that our mentees can use to help guide them throughout the application process.

Role Description

We are looking to recruit an interview officer to oversee Academia Events around medical school interviews (MMI / panel / hybrid), to collate data from med students' experiences interviewing with Covid induced changes (online interview format), and further expand our I2MS interview question bank. Opportunity to write up abstract / publication around the impact of free high end interview resources

INTERVIEWS OFFICER

Essential and Desirable Criteria

- Ideally has a variety of experience with interviewing to different med schools using different interview styles (MMI / panel).
- Would be excellent if candidate had further experience interviewing candidates / running mocks for younger students but this is not necessary.

Application Process

Please click [here](#) to send in an application. You will be asked to submit your CV alongside the application form. Successful candidates will then be shortlisted for an interview.

Line Manager

Dr Adrienn Gyori is the Director of Academia and she will be line managing this officer.
