

# REGIONAL HEAD

---

## In2MedSchool

In2MedSchool is a widening participation initiative that consists of a group of medical students and junior doctors helping underprivileged school children apply to study Medicine and related subjects at University.

## Mentoring Team

This team is responsible for overseeing the running of our free, national 1:1 mentoring scheme where aspiring medics are matched with a local medical student/doctor who will be there mentor throughout the application process.

---

## Role Description & Requirements

A successful Regional Head would be expected to dedicate 2-3h/week to In2MedSchool. The main responsibilities will include:

- Promoting the scheme to your fellow medical students across your medical school in order to recruit a team of Mentors.
- Using provided databases, contact local schools to see if they would like to participate. - Matching Mentees who sign up with Mentors that you have recruited at your medical school.
- Overseeing the mentoring scheme in your local region.
