

AMBASSADORS CO-DIRECTOR

In2MedSchool

In2MedSchool is a widening participation initiative that consists of a group of medical students and junior doctors helping underprivileged school children apply to study Medicine and related subjects at University.

Ambassadors Team

The ambassadors team is a new division that has been launched this academic year. The aim of this division is to provide work experience opportunities for our mentees, whilst also providing access to research projects for anyone that volunteers with our scheme.

Role Description

The Director of the Ambassadors programme helps to develop, implement and monitor key education plans and opportunities for mentees.

Application Process
